When to Consider a Charter Flight!

- You are traveling with more than 1 passenger
price per passenger decreases as Aircraft fills.
- Your schedule requires you to make the trip there
& back in 1,2 or 3 days. Especially if the trip needs
to be completed in one day
- Your trip is to an area without a major airport nearby.
What is the real destination- is it away from a major hub?
- You are traveling in a business group where confidentiality
during the flight is a plus and time is of the essence.
- You are unsure of your passenger list, but want to book trip.
